

AIRPLANES LANDING

Ages 7+ | Individual or Family | 1+ Players

AIM OF THE GAME

- ▶ Build and throw paper airplanes at a target.

EQUIPMENT

- ▶ Three pieces of paper.

HOW TO PLAY

- ▶ Using three pieces of paper build three airplanes using any design. The airplanes can be drawn and coloured on to make them all look different.
- ▶ Set up a target or a large bowl on the floor.
- ▶ Standing 5-8 steps away, throw the airplanes to try and land in the target. Change the designs of the airplane during the game.

GAME VARIATIONS

1. Change the landing zone or target, the smaller the area the harder the game.
2. With an adult and if safe to do so, change the height level you are throwing from.
3. If playing with others see who can get nearest to the target.
4. A playmate can hold up a hoop between starting point and the landing zone to fly the plane through before landing.
