

## CIRCUS ANIMAL® NAIL ART

Here's a tip: fun and playful nails perfect for any occasion!

### MATERIALS

- Nail polish (pink shades, purple, white)
- Nail jewels
- Toothpick
- Paper towel

### INSTRUCTIONS

1. With your preferred nail polish color, apply two coats (this is the "frosting"). For extra fun, mix up and alternate the colors on each finger.
2. Once the nail polish dries, dip a toothpick in a new nail polish color and lightly drop dots of polish onto the nail to create "sprinkles". In addition, top off the nails with nail jewels.
3. Let your nails completely dry.
