

SUCCULENT UNICORN PLANTER

Cultivate enchantment and improve your green thumb with this simple craft and planting activity.

MATERIALS

- Planter pot (white)
- Felt flowers
- Glitter paper (gold glitter)
- Cardstock paper (white)
- Black permanent marker
- Hot glue gun
- Scissors
- Succulent plant
- Soil

INSTRUCTIONS

1. Draw a triangle shape on the glitter paper and cut it out to create the unicorn horn.
2. Glue the horn inside the pot up towards the top of the pot.
3. Draw two ear shapes on cardstock paper and cut them out. Then glue down the ears so it surrounds the horn.
4. Arrange the felt flowers in front of the horn to your liking and glue them down.
5. Glue on the googly eyes on the front of your pot.
6. With a permanent marker, draw details like the nose and eye lashes.
7. Add the soil into the pot and place the succulent into your new planter!

*Always have adult supervision when crafting with your kids using a hot glue gun and scissors!
