

## LAND THE SPRINKLES

Toss and triumph! Hone your aim by landing sprinkles on our frosted elephant cookie. It's a TON of fun!

### MATERIALS

- Posterboard (white)
- Hook and loop Velcro pieces
- Cardstock paper (light purple)
- Paintbrushes
- Scissors
- Glue
- Marker
- Balls (with loop pieces on it)

### INSTRUCTIONS

1. On the posterboard, freehand draw an outline of a Circus Animal elephant cookie (see image below). Then, cut it out.

2. With your loop piece of velcro tape, cut out pieces so that they cover the elephant shape completely. Then secure it on top of the posterboard.
3. Use purple cardstock paper to cutout the outline of the cookie trunk, ear, and legs of body details. Then glue it on top of the velcro tape.
4. With the hook side of the tape, attach pieces onto each ball so they are crisscrossed. Alternatively, you can purchase already made balls.
5. Safely tape or secure your completed Land the Sprinkles onto a smooth wall surface.

### HOW TO PLAY

Bring on the sprinkles! Aim and throw to bring our elephant to life in a rainbow of sprinkles.

\*If you're crafting with kids, use child safe tools!
